Freedom International Livestream USA
Thursday, Dec 16, 2021

Guest: Christian Oesch, President www.vereinwir.ch
Topic: What's with 5G and more?

Brief Bio:
Christian Oesch, is one of the leading Swiss opponents in the instrumentalization of 5G and the Corona agenda. His presentations show how the federal governments and politics are driving this development forward. Join us to learn more about the connection between 5G and Corona, the banking system, government control, why we need to keep an eye on Switzerland and more.
